Examiner  
Art Unit: 2833

***Withdrawal of the Previous Office Action***

This application was inadvertently mailed a Non-Final Rejection on December 30, 2004 as the result of a typographical error by the Examiner. The Examiner stated that application 10/822,321 had been examined. However, application 10/822,321 is drawn to a hand-held tool classified in class 369, subclass 016. The application that should have received the Non-Final Rejection is 10/822,\*\*\*. Therefore, the Rejection of application 10/822,321 has been withdrawn, and subsequently being sent to class 408 for a proper examination. The Examiner apologizes for any inconvenience to applicant.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
